How to use this workbook

This workbook goes with the **Sight Words Calling – Rocket Readers** app. Sight words are the little words children meet again and again in books. Listen to each word in the app, then practise it on paper.

✏️ Trace and write

Say the word. Trace the dotted word twice, then write it on your own in the space on the right.

🖍️ Find and colour

Read every star. Colour the stars that match the colour key.

📝 Missing words

Read the sentence. Choose a word from the word bank and write it on the line.

🔭 Word searches

Find each word in the grid. Words go across → and down ↓.

✂️ Flashcards

Cut out the cards. Play snap, memory, or "read it fast".

⭐ Star chart

Colour a star each time you can read a word. Then fill in the certificate!
